Brighton Housing Authority Receives Funding to Provide Counseling Services for Seniors

BRIGHTON, CO – December 11, 2020 – Brighton Housing Authority (BHA) received a grant from the Adams County Foundation to provide professional therapy on-site at four independent living communities: Brighton Village Phase I, Brighton Village Phase II, Libretto I, and Libretto II.

As the pandemic continues to be a threat to our senior population, isolation is a significant health concern. With the help of this grant funding, BHA will provide these four senior communities with access to a professional therapist for support as they battle the significant negative health impacts of isolation during the pandemic.

Joseph Dutmer, a licensed Clinical Social Worker, will be available until December 23rd to provide professional therapy services to the seniors living in these four senior living communities. Speaking of the program, Dutmer said, “Our seniors have been the backbone for their families and our community for years. Now is the time for us to provide services that honor and gracefully serve them.”
